

HAVEN of Tioga County
48 East Avenue, Wellsboro, PA 16901
Business: 570-724-3549 Fax: 570-724-1361

My name is Jennifer Edwards, and I'm the Community and Systems Advocate at HAVEN of Tioga County. HAVEN serves and empowers those affected by abuse and violence right here in Tioga County by providing free and confidential support.

Fundraising in a rural community like ours can be challenging, which is why we created Hoofprints for HAVEN, now in its 5th year! Each year, the event continues to grow, bringing equestrians from near and far to ride through Pennsylvania's Grand Canyon Country. Our 2026 ride will take place on Saturday, August 29th, with around 40 riders joining us for a day of trail riding, raffles, games, and prizes.

New this year... we're adding live music and a food truck in the evening! This portion of the event will be open to the public; it gives the community more time to gather and opens the event up to non-equestrians who want to be part of it, too.

To make this event a success, we're currently seeking donations such as:

- Gift certificates or monetary contributions
- Goody-bag-sized samples or branded swag items
- Raffle or silent auction items

Your support helps us continue to answer hotline calls, sit beside survivors in court, and bring prevention education into the places people live, work, and learn.

We'd love to have you be part of Hoofprints for HAVEN this year. If you're interested in contributing or want to learn more about our work, I'm always happy to connect! Enclosed you'll find our paper sponsorship opportunity form, and you can also check out the online version here: <https://form.jotform.com/251134940317148>

Thank you for considering supporting our mission and the community we serve.

With hope,

Jennifer Edwards
